

DUO
Twin filter Half Mask
Mod. P/N 102000000

DUO is a professional, durable and decontaminable face-piece ideal for handling dangerous chemical substances, toxic gases, solvents and dusts and for spray painting. DUO is suitable for use in chemical and pharmaceutical companies, in agriculture and in ore milling. DUO must be used in combination with its own snap-in cartridges Spasciani series 2000. Filtering cartridges can moreover hold special pre-filters that preserve the particle filter element from a too fast clogging up when used in particularly dusty environments.
